WELCOME FROM COLLEGE STATION

HOWDY PLAYERS, COACHES, TEAM SUPPORTERS AND FANS:

On behalf of the City of College Station and its residents, congratulations on reaching the 2018 Texas Amateur Athletic Federation Games of Texas! We are thrilled that you have achieved this level of competition as it is a tribute to your efforts on and off the field. We are exceptionally honored to host you, your coaches and families. We hope that you have an opportunity to visit our community's numerous shops, restaurants and attractions during your stay in the Brazos Valley.

The effort given by the local host cities and staff in hosting the Games of Texas is stellar and unmatched. We are extremely appreciative for their time, effort, and caliber of events that they bring to our community each year. From concession stands, to seating, to hotel rooms and facilities, their ability to represent the City of College Station is tremendous, and we are so thankful. We are confident you will find our hospitality unparalleled.

In addition, our gratitude and praise extends to our TAAF liaisons, officials and volunteers who have given their time and expertise to make this event exceptional.

Again, congratulations on your success and thanks to the cities and the local organizing committees for their efforts. We hope to see you back next year. Best of luck throughout the competition!

Sincerely,

Karl Mooney

CITY OF BRYAN
The Good Life, Texas Style.™

WELCOME FROM BRYAN

TAAF GAMES OF TEXAS,

On behalf of the City of Bryan, I would like to once again welcome you to our community. As your children (or even some of you!) compete at the highest amateur level in Texas we hope you take some time to experience The Good Life, Texas Style™ by visiting some of the amazing places that make Bryan great. From wineries to lakeside retreats, Bryan has it all – check out some of my favorites below!

Messina Hof Winery & Resort – Wines proudly made in Bryan and served worldwide. Museums – Cultural and educational opportunities abound in the Brazos Valley Natural History Museum and the Children’s Museum of the Brazos Valley. Historic Homes – the city’s East-side Historic District consists of beautiful homes that reflect Bryan’s earliest years. Lake Bryan – Located just west of the city, Lake Bryan is the Brazos Valley’s premier destination for extreme fun and recreation. Perfect for year-round mountain biking and water sports. Much of the park lies on a 180 acre island where waterfront picnic and camping sites are shaded by 100-year-old oak trees. Make sure you take some time to enjoy lakeside live music at the Ice House!

Historic Downtown – Bryan’s oldest business district and the Brazos Valley’s premier downtown experience is undergoing vigorous renewal and boasts a variety of shopping and dining experiences within an architecturally rich setting. We are proud of the Cultural District designation Downtown Bryan received from the Texas Commission on the Arts and hope you come experience the cultural revival underway in Historic Downtown Bryan. If you plan on staying through Friday August 3, make sure you check out Frist Friday in Downtown Bryan! It’s an opportunity to explore restaurants, businesses, and merchants that are downtown and take part in seasonal activities. The evening is filled with unique event such as special exhibits, live music from a variety of performers and screenings of family favorites at the Palace Theater. Be sure to look for the renovated LaSalle Hotel, Queen Theatre and Carnegie Library.

Once again, welcome to Bryan and good luck to all of the athletes competing in the Games of Texas! I hope that you enjoy yourself in our wonderful community.

Best regards,

Andrew Nelson
