

BUILDING A PARKS & RECREATION RESUME

From The Perspective Of The Director

The Fundamentals Stay the Same It's Just All About Perspective

- Know where you are and where you want to be!
- Know who you are and who you want to be!

Self Assessment...

- **What do I want to be when I grow up?**
- **Do I honestly know what my strengths, weaknesses, passions, and talents are?**
- **Am I making the most of every opportunity that comes my way?**

Self-reflection proves difficult:

Do You Even Know Who I Am Bro?

- Every department is unique know what makes them different even if they don't!

Networking Networking Networking!

- **Know Your ABC's**

TAAF TRAPS NRPA USSSA TPWD
USAPA WAKA NDL NPF JM&DK

- **Get involved and take leadership roles whenever possible.**
- **Get outside your bubble!**

What is Most Important to Me?

- **Attitude**
- **Pride/Ownership**
- **Passion**
- **Work Ethic**
- **Versatility (knowledge, skills, willingness)**
- **Adaptability**
- **Sense of Humor**
- **Always looking for solutions before blame**
- **NEVER EVER TELL ME THAT'S NOT MY JOB!**

Group Exercise

- **Partner up with 2-3 people you don't not currently work with or even better know yet.**

Introduce yourself and your job to each other.

Learn as much about each other and what you do as possible in time allotted.

What similarities do your jobs share?

What major differences?

What unique and or interesting things did you learn about that you can take back and utilize?

Group Exercise Research

Take a Boerne Parks and Recreation Guide Book using this tool along with any other resources you can think of in the time allotted answer the following interview question....

Tell me what you bring to Boerne Parks and Recreation that I don't already have.
