**Beginning with the year 2007, the mandatory 'move-up' rule is in effect for teams classified in the 'B' Division. If a team is in the top 4 teams of the 'B' division three years in a row OR wins the 'B' division two years in a row OR wins the 'B' division 2 out of three years, said team must move up to the 'A' division in the next State Tournament. The team will be seeded behind the previous year's returning 'A' teams. After a 'B' team moves up in classification, if the team does not finish within the top eight teams, then the team can move back down to the 'B' division in the following year. Since 1991, the "Fort Worth" RAMS in the Men's 'A' division have been a fixture in the top 4 teams. In those 28 years the RAMS have NOT been in the top 4 of the Men's 'A' Bracket only six times. They have won NINE times in '94, '98-'00, '04, '07, 2010-2011, & 2017; 2nd Place in '91, '97, '01, '02, '09, '14, & '18; 3rd Place in '03, '08 & '13 and 4th Place in '92 & '19'. (Years not Top 4: 1993, '95, '96, '05, '12, '16)*

COLORS from McAllen/Mission/Brownsville are repeat champions in 2008-2009 and again in 2012-2013 have placed in the Top 3 Teams in NINE out of the last NINETEEN years.
