- .02 AFFILIATE MEMBER: Private gymnastics clubs that are not sponsored by a park and recreation department may compete by joining T.A.A.F. as an affiliate member.
  - a) Affiliate member dues are to be paid by January 1 prior to the start of the season.
- .03 T.A.A.F. Metro areas that are classified as T.A.A.F. regions themselves may enter more than one team if their gymnastics programs are divided along recreation center lines.
  - b) The state commissioner may approve a combination of recreation center teams in these cities.

Note: Insurance (participant accident coverage only) may be purchased for an additional fee per person per sport (Contact the T.A.A.F. State Office for fees).

### 13.2 GYMNAST ELIGIBILITY

- .01 All competitors participating in gymnastics competition must be amateurs and registered with the state office. Failure to register a gymnast with TAAF prior to competition will result in a fine assessed to the gym for each unregistered gymnast.
- .02 A gymnast may compete for only one T.A.A.F. gymnastics club/team per season. If they switch gyms, they will become ineligible immediately. (Exception: Documented parents job transfer after having competed in a regular season T.A.A.F. meet and family moves outside the original Region of participation)
- .03 All gymnasts must have a T.A.A.F. participation number in order to compete in a T.A.A.F. meet.
- .04 Gymnasts may compete between the ages of four (4) and eighteen (18).
  - a) There will be no age groups used for competition.
  - b) The age of a gymnast is determined by her age as of January 1 of the year she is competing in.
  - c) Minimum Age Requirements:

### 13.3 LEVELS

- .01 Skill Levels in T.A.A.F. Gymnastics are:
  - a) Level 1 – 3A (Achievement)
  - b) Level 3P – 8 (Placement)
  - c) Xcel Bronze (Achievement)
  - d) Silver, Gold, Platinum, and Diamond (Placement)

- .02 A gymnast who competes U.S.A.G. must compete in T.A.A.F at the same level or higher. A gymnast must be placed based on her highest all-around score of her U.S.A.G. season. Note: U.S.A.G. scores are subject to T.A.A.F. mandate rules.
- .03 Once a gymnast competes one meet at a particular level, she may not move down to a lower level.
- .04 **A gymnast may compete in more than one level per season, by for state meet qualification the gymnast must have three all around scores at the new level in order in order to be eligible for the state meet.**
- Note: Level 3 Achievement is considered a level lower than Level 3 Placement.

#### 13.4 DIVISIONS

- .01 Any gymnast competing in a level for the first time must be ranked by submitting an all-around score from a rated judge to the TAAF Commissioner after November 1 and no later than January 1. This all-around score will determine her division placement for her first meet of the season. This score can be obtained in one of the following ways:
- a) Using a rated judge in person
  - b) Competing in a pre-season, non-qualifying meet
  - c) Using a gymnast's highest USAG all-around score from the same level
- Note: Failure to have a gymnast ranked by the January 1 deadline will result in a late fee. To avoid the late fee, any gymnast joining a team after the January 1 deadline must request exemption from the January 1 deadline from the TAAF Commissioner; however, she must still be ranked before her first qualifying meet.
- .02 Gymnasts competing in the same level as the previous year must begin in the same or higher division as they ended in the previous year.
- .03 After a gymnast's first meet, her division placement in each subsequent meet is determined by her highest all-around score achieved thus far.
- .04 A gymnast may never move down to a lower division within the same Level, even if she scores within that lower division.
- .05 If a gymnast does not compete on all 4 events in a qualifying meet, the gymnast's division placement for the next qualifying meet will be determined by adding in a "dummy score" for each event she does not compete on. This dummy score will be an average of the scores she did earn. This "all-around" score will be used for correct division placement in the next meet she enters.
- Note: This "all-around" score cannot be used as a qualifying score for the T.A.A.F. State Meet.
- .06 Division changes must be communicated to the next meet director no later than 6:00 pm Monday following the meet.
- .07 If a gymnast is placed in the wrong level or division, the gym/coach will be fined an amount equal to the entry fee for that gymnast in the meet in question. The gymnast will then be placed in the correct division, if discovered prior to the meet.
- .08 When the number of gymnasts competing in a division exceeds 24 in a Qualifying Meet, the meet director may break the division into equal or near equal subdivisions, each receiving a complete set of awards according to the individual event and all-around award requirements.
- .09 Levels 1, 2, 3A and Xcel Bronze are achievement only and have no divisions.

Individual athletes must register with T.A.AF. prior to the athlete's participation in any T.A.A.F. meet/tournament on a local or regional level.

.01 Deadline for T.A.A.F. Registration is determined by the regional and state tournament dates:

Tennis	June 30
Track & Field	June 30

.02 The registering city or affiliate shall send a signed individual waiver or a signed individual sports participant waiver to the T.A.A.F. state office.

.03 The determining factor of which city/organization/region an individual will represent in their attempt(s) to qualify for state level competition is based on the city/organization/region they declare at the time of registering online with T.A.A.F..

- a. This rule is to allow individuals to compete outside of their city of residency due to the fact they are participating with another city or organization's program on an ongoing basis.
- b. It is NOT the intent of this rule to allow teams as a whole, to compete in or represent other cities/regions due to the location of the regional meets, changes in individual schedules or other such situations.

### 4.2 Individual Registration Fees

.01 The participant fee for T.A.A.F. individual sports shall be five dollars (\$5.00).

- a. A late fee of five dollars (\$5.00) per individual may be charged to any registration after the deadline date.
- b. Regions may add a regional individual sports registration fee of up to \$1.00 per individual.

.02 Unattached Individual Participants: The fee for an unattached participant are twenty dollars (\$20.00) per year. Payment of this fee allows the unattached member to participate in T.A.A.F. individual sport programs and includes the cost of the individual sport fee of \$5.00.

- a. Unattached athlete is a singular registration, thus they are ineligible for team events (i.e. relays). Additionally, unattached athletes do not get all privileges of teams (i.e. coaches passes or other similar team privileges).

.03 Insurance may be purchased for an additional fee. Contact the T.A.A.F. state office for fees and enrollment information.

4.3 Regional Tournament/Meet Registration: Cities, Affiliates and Unattached Participants are required to comply with all requested information and fees as set forth by the Participant Guide regional tournament/meet director.

.01 Maximum regional meet entry fee for track & field and swimming shall be \$7.00 per competitor, per event.

- a) In lieu of regional meet entry fees, the region may elect to implement a regional participation fee not to exceed \$15.00 per competitor.
