 Burnet, Texas 78611 www.taaf.com

Section 2 (Attach the additional sheets provided if necessary)

1. Describe volunteer and leadership experiences, accomplishments, honors, recognitions and awards received. These experiences may include academic, job related, and/or community service organizations with which you have been involved. Include your position and length of involvement.

<u>Activities</u>	<u>Dates</u>
National Honor Society	2023-24 2024-25
Student Council	2022-23 2024-25
Senior Class Secretary	2024-25
AP Scholar English	4 years
High Class Ranking Top 10	2025
Best Percussionist All State High School Band	2022
1st Place Current Events & Regional Qualifier	2023
Varsity Football - 3 years; Varsity Basketball - 2 years; Varsity Track - 3 years;	
Varsity Cross Country - 4 years; MVP Cross Country - 4 years	

2. Please list your chosen or anticipated field of study and explain why you believe the field is important.

I plan to major in Kinship with a minor in Secondary Education (Coaching). I believe this route will enhance my opportunities of securing a coaching job. I believe that it is very important to understand the body and how proper training enhances one's ability to play sports. Conditioning is of the most importance in being successful at sports.

3. How does Parks and Recreation have an impact on a community? How has it impacted you personally?

Parks and Recreation has an impact on a community in many ways by offering various activities/programs that promote socialization and encouraging active lifestyles and opportunities for youth to participate in sports that otherwise would not have a chance to. It serves as a gathering for people to interact and have community unity. It has personally impacted me with the opportunity to know the younger generation of youth with my referring youth football. It is an honor for young boys to come up to me to say hello upon recognizing me.

4. If awarded this scholarship, how would you utilize your educational experience to make an impact on the parks and recreation / leisure services profession in your community or society as a whole?

I would like the opportunity to use my skills and knowledge to coach the younger generation while at the same time teaching them goals and values. I believe we need to teach and show more conditioning, more respect, and what it means to represent your team and city when playing sports.

5. Explain your career goals upon graduation.

Upon graduation I plan to become a High School coach and teach Special Education. I also would like the opportunity to be an Athletic Trainer at the college level or professional level. I want to utilize my skills and knowledge to mold the younger generation and give them values and goals.

6. Are there any other factors you would like us to consider in evaluating your application? If so, please explain.

On 9/14/24 my brother and I lost our mother, who was raising us as a single mother. It was the most devastating event I have experienced in my lifetime. I want the opportunity to graduate from college to show the way for my younger brother and it was my mother's hope that my brother and I complete college.

Additional Comments:

I love sports and I want the opportunity to pass on my values & goals to the next generation. I was an average player in the sports that I have played. I never had the opportunity to play travel ball to help my skills and the opportunities it brings. I will not be going to college on a sports scholarship but it is my hope to be accepted to the Physical Trainer program where I can experience sports at the collegiate level.

Section 3 (Please attach the following documentation under the scholarship category you are applying for)

Dan Whitworth Memorial Scholarship - High School Student Category

- Letter of acceptance from a College or University. Enrollment verification of a minimum of 12 semester hours in classes directly related to acquiring a degree in the field of sports sciences, kinesiology, conservation, physical education, recreation and tourism management and/or other related courses of study which may contribute to the field of parks and recreation will be required upon registration and prior to the awarding of scholarship funds.
- Official High School transcript (to include class rank and/or GPA)
- Official college entrance examination score
- Course curriculum/degree plan
- One letter of recommendation

Dan Whitworth Memorial Scholarship - College Student Category

- Enrollment verification of a minimum of 12 hours from a College or University with accredited programs relating to a degree in the field of sports sciences, kinesiology, conservation, physical education, recreation and tourism management and/or other related courses of study which may contribute to the field of parks and recreation.
- Verification of a GPA of at least 2.5 on a 4.0 scale from previous semester
- Course curriculum/degree plan
- One letter of recommendation

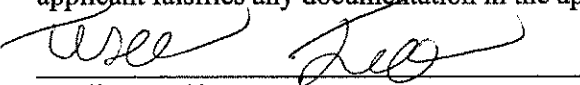

Athlete Category (High School or College Student)

- Texas Amateur Athletic Federation state competition roster(s) or individual sports card(s) and/or a letter detailing the state event(s) participated in, location, year, and region you represented.
- Enrollment verification from a College or University
- Verification of a GPA of at least 2.5 on a 4.0 scale from previous semester
- Course curriculum/degree plan
- One letter of recommendation

Parks & Recreation Employee Category

- Employer verification of your continuous service, employee classification, satisfactory work performance, and that no disciplinary action exists in the preceding 6 months of this application.
- Enrollment verification from a College or University.
- Verification of a GPA of at least 2.5 on a 4.0 scale from previous semester
- Course curriculum/degree plan
- One letter of recommendation from your current agency executive / director.

The application and all requested documentation under the scholarship category you are applying for, is due to the T.A.A.F. state office via email (ginger@taaf.com) by March 31st of each year. Application will be null and void if all documentation is not received in specified time frames and if the applicant falsifies any documentation in the application.

Undergraduate Catalog 2024-2025

Bachelor of Science, Double Major in Education and Kinesiology

This double major degree program prepares students to teach Physical Education at the Pre-K through 12th grade level in the state of Texas. Students will participate in methods and student teaching as the culminating component of their degree. Students will be prepared to sit for the TExES Physical Education Certification exam. The content of the program is aligned with the Society of Health and Physical Educators (SHAPE) and Council for the Accreditation of Educator Preparation (CAEP) Initial PETE standards. Students completing this degree plan will also earn the sport coaching certification.

Total Hours		123

- 1 Satisfies Core Curriculum requirement for Component Area II (Mathematics).
- 2 Satisfies the Core Curriculum requirement for Component Area III (Life and Physical Science).
- 3 Satisfies one hour of the Core Curriculum requirement for Component Area IX (Component Area Option).
- 4 BIOL 2401 and BIOL 2402 may be used as transfer courses for this requirement; please see a SAM Center advisor for more details.
- 5 This course is also offered in the summer. In addition, this course will count toward the sport coaching certificate.
- 6 KINE 1331 is a prerequisite for all upper-level KINE and ATTR courses. This class must be taken your freshman year. Transfer students must take it their first semester.
- 7 This course is offered in the Fall.
- 8 This course is also offered in the Summer.
- 9 Field-based experiences are required.
- 10 This course is offered in the Spring.
- 11 Students pursuing the Sport Coaching Certificate must take KINE 4335.
- 12 A minor is not required for this degree program; however, a student has the option to add a minor, but to do so additional semester credits hours may be needed above the degree program's stated total semester credit hours.
- 13 All minors can be paired with this degree program.

Notes

Students must earn a 2.0 minimum overall GPA in all coursework.

Students must meet a 2.0 minimum overall major GPA in all major coursework.

Students must earn a 2.0 minimum SHSU GPA in all coursework.

Students must meet a 2.0 minimum SHSU major GPA in all major coursework.

Students must maintain a 2.75 GPA or greater overall or in the last 60 semester hours. This includes transfer and SHSU courses.

Students must earn a "C" or better in all Kinesiology/Athletic Training and Education coursework.

Students must earn a 2.75 minimum GPA in all Education coursework (SHSU and cumulative).

Students must earn an overall GPA of 2.75 to earn teacher certification.

KINE 1331 should be taken during Freshman or Sophomore year.

Students must take BIOL 2403 and BIOL 2404 as an 8-hour sequence.

Physical Education Teacher candidates must be in the *Healthy Fitness Zones* of at least two of the health-related fitness components of the FITNESSGRAM battery test (body composition, muscular strength and endurance, flexibility, and aerobic capacity) before enrolling in student teaching (CISE 4394, CISE 4396, and CIEE 4392).

CISE 3384 is the prerequisite to all Secondary Education Program courses.

ATTR 3370 requires a prerequisite of BIOL 2403 and 45 + hours.

KINE 3363 and KINE 3368 require Junior Standing and KINE 1331 or ATTR 2300.

KINE 4363 has a prerequisite of KINE 3368. Field-based experiences required.

KINE 4366 has a prerequisite of KINE 3368 and KINE 4363.

KINE 4364 has a prerequisite of KINE 3373 or KINE 3321.

All minors can be paired with this degree program.

The Texas Higher Education Coordinating Board (THECB) marketable skills initiative is part of the state's **60x30TX plan** and was designed to help students articulate their skills to employers. Marketable skills are those skills valued by employers and/or graduate programs that can be applied in a variety of work or education settings and may include interpersonal, cognitive, and applied skill areas.

The BS with a Double Major in Education and in Kinesiology is designed to provide graduates with the following marketable skills:

- Content and pedagogical knowledge to teach physical education in Pre K-12 schools.
- Ability to promote physical activity beyond the physical education setting.
- Knowledge of Skill Themes, Sport Education, and Fitness Education instructional models.
- Student-centered physical education teachers.
- Culturally responsive and inclusive.
- Appropriate professional and ethical teacher behaviors.
- Fully certified to teach physical education in Pre K-12 schools.

To whom it may concern,

My name is Trey Sterns, I am typing this letter on behalf of Tyler Jordan. I had the opportunity to teach and coach Tyler while at Alto for four years from 2019-2023. During my time at Alto I was blessed to be able to coach Tyler in multiple sports, some of those sports included football, basketball, and baseball. The more I was around Tyler the more I got to know him and he quickly became not just a student/athlete to me but he became a kid that I genuinely love and care for.

Tyler is a true Student/athlete he takes pride in what he does on and off the field. Making academics, character, and work ethic his main priorities. He's one of the most respectful and humble kids that I have ever come across. He works so hard at everything he does and pushes himself to be the best version of himself every day.

Tyler is the type of kid that is going to give you his all it doesn't matter if he is playing sports, in the classroom, or just being the hard-working kid that he is. In my 4 years of working with Tyler everyday I never saw him take a day off he was always involved in something at the school rather it be academics, sports or other UIL activities.

Outside of school Tyler was always trying to find work and earn money to help out at home despite his limited resources and being involved in so many activities at school. He mowed my lawn, helped me move multiple times, while holding many other job titles. Tyler is the type of kid who wants to earn everything he doesn't go around looking for hand outs, if he puts his mind to it he will make it happen.

Last but not least Tyler Jordan is a role model. He does everything the right way and wants to create a better future for himself and his family. Tyler is a great student who is always willing to learn, he is a great athlete who pushes himself and is hard on himself for the betterment of the team and his teammates, but most importantly he is a better human being.

Kids like Tyler Jordan is the reason I am in the profession I'm in. He makes me to want to be a better teacher, coach, father and husband. He is truly a one of a kind, he will always be welcomed and loved by my family.

-Coach Trey Sterns

To whom it may concern,

It is my great pleasure to recommend Tyler Jordan. Tyler has been both a student of mine and has worked with me coaching youth sports in our local community. Tyler demonstrates a commitment to working hard and working within a team paradigm. Tyler is someone I could depend on to give effort above that of his peers, being a self-motivated individual to push himself to be the best version of himself as possible. Tyler also displays leadership qualities, elevating those around him to be the best version of themselves as possible. Tyler understands that in order to be great there must be sacrifice and prioritizes those aspects which are to the good of his set goals while eliminating those aspects that might otherwise hinder his goals.

Based on my previous and numerous experiences with Tyler, I would fully recommend him to be a part of your organization and worthy of any such opportunity that might be afforded for him.

Sincerely,

Pastor Zachary Honzell

To Whom It May Concern,

I am writing this letter to give my highest possible recommendation for Tyler Jordan. Tyler has shown exceptional qualities in his academics, behavior, self-discipline, and social skills.

All of his teachers have witnessed his seriousness, leadership potential, and his sense of responsibility in all endeavors. They confirm that Tyler is always a leader in every aspect. I can vouch that he is one of the most intelligent and determined students that I have encountered in my career. Tyler is also very responsible for his work and can handle the pressure of meeting deadlines and various tasks. He has an extremely amiable personality and is admired among his peers as he shows great consideration and deep respect for others. With his outstanding intellectual ability and strong leadership qualities, Tyler understands the importance of education, dedication, and success.

In summary, I strongly believe that Tyler's leadership, perseverance, intellectual ability, and dedication to success will support him well in his future endeavors. He is undoubtedly the type of individual who has the potential for greatness in his post-secondary career. His tireless efforts, combined with his work ethic, ability to self-improve, and self-reflection, are recipes for success in the years to come. I think he would be an outstanding asset to your institution of learning. I give Tyler Jordan my highest recommendation.

Respectfully,

My name is Tyler Jordan, and I am deeply involved in my school community through the National Honor Society, Student Council, and the role of Senior Class Secretary. I am also a four-time regional qualifier in Cross Country and Track & Field, 1st Team All District Football Utility Player, as well as Honorable Mention Linebacker. Despite recent challenges, including the passing of my mother three months ago, my brother and I continue to support each other. In my leisure time, I enjoy listening to music and watching Netflix.

I aspire to become an athletic trainer and coach, inspired by the impact my head coach has had on my life. He became a father figure, offering guidance and encouragement when I needed it the most. His dedication not only shaped my understanding of the game, but also instilled in me the desire to be a source of inspiration and support for young athletes. I am passionate about creating an environment where they feel valued and motivated, and I aim to guide others towards a deeper relationship with Christ.

To achieve my career goals, I plan to attend Sam Houston State University, focusing on a major in athletic training over the next four years. I intend to finance my education through local scholarships, opportunities provided by the university, and financial aid from FAFSA. Additionally, I anticipate working a part-time job to help cover any additional expenses. This plan will not only allow me to immerse myself fully in my studies but also prepare me for a successful career in athletic training.

In ten years, I envision myself as a successful coach and athletic trainer. My ultimate dream is to be part of the Dallas Cowboys organization, where I can apply my skills and passion at a professional level. Beyond professional aspirations, my goal is to positively influence the lives of young men and women, guiding them to become successful adults and responsible parents.
