To Whom It May Concern,

My name is Shelby Keller, Assistant Principal at Alba-Golden High School. I am writing on behalf of Garrett Wright, from Alba-Golden ISD. I have had the privilege of knowing Garrett for four years, three of which I have been one of his assistant principals. Garrett is an outstanding young man that has a very high level of integrity and leads by word and deed.

Garrett is a student that works diligently in his classes. Examples that quickly come to mind are his involvement in being a member of National Honor Society, Student Council, Varsity Football, Varsity, Basketball, Varsity Track, and Honors/Dual Credit courses. Garrett is also involved in his local church! He has a kind heart and strives for excellence in all that he sets his mind to, particularly when being heavily involved in the different organizations he is a member of. Garrett is a leader by example with humility. He is respectful, hard-working and has a very high level of integrity. He maintains great grades all the while staying heavily involved in school work and his other activities. Garrett does exceptionally well in his classes and is engaged in the lessons and helpful to his teachers, setting the example for his classmates. While attending Alba-Golden HS his teachers describe him as respectful, mature, responsible, funny, genuine and a pleasure to teach. Garrett serves his community through his church and school clubs and chooses joy even amongst the chaos. He has exemplary interpersonal skills, he never meets a stranger and makes everyone he meets feel welcome, heard, and valued. His ongoing example of what it means to be humble and hard-working and living a life of purpose will leave a lasting impression on the students that are behind him. Garrett is authentic in his words and actions by living a life giving 100 percent into everything he does!

Garrett plans on pursuing a career and higher education path that leads to becoming a chiropractor. It is my honor to recommend Garrett for this scholarship. He is a kind, respectful, intelligent, and trustworthy person. I know that he will bring the same level of integrity, responsibility, selflessness and maturity to his future college, career and community. Garrett is a highly driven individual with many talents and will leave a legacy wherever he goes. Please do not hesitate to contact me for any further information.

Sincerely,

Shelby Keller

1. Describe volunteer and leadership experiences, accomplishments, honors, recognitions and awards received. These experiences may include academic, job related, and/or community service organizations with which you have been involved. Include your position and length of involvement.

<u>Activities</u>	<u>Dates</u>
National Honor Society	2021 - 2025
Sand Springs Baptist Church Youth Group	2017 - 2025
Student Athlete High School Varsity Football/Basketball/Track	2023-2025

2. Please list your chosen or anticipated field of study and explain why you believe the field is important.

Kinesiology and Chiropractic Medicine will be my field of study. I am looking at attending either The University of Texas at Tyler, or Stephen F. Austin State University. My desire is to help people overcome physical pain that they experience from the wear and tears of life, and sports injuries. It is important to have someone that truly cares that someone is hurting and has a desire to help them recover. My goal is a calling and not just an occupation.

3. How does Parks and Recreation have an impact on a community? How has it impacted you personally?

Being active in life is part of a healthy life. Most people have a sedentary lifestyle which leads to health issues. Parks and Recreation provides an opportunity for those not in professional or college sports to have an opportunity to keep active. I have been a student athlete in high school and always active. I look forward to finding locations where Parks and Recreation programs will allow me to remain active as I continue my college career.

4. If awarded this scholarship, how would you utilize your educational experience to make an impact on the parks and recreation / leisure services profession in your community or society as a whole?

My goal is to gain knowledge that will allow me to give back to the community that I serve in.

I have always enjoyed sports, and having knowledge in Kinesiology will allow me to help both student athletes and adults to recover from pain/injuries they have through their recreational activities. I also desire to help in summer sports for Little Dribblers Basketball providing coaching assistance and helping to educate parent/coaches on proper techniques to prevent injuries.

5. Explain your career goals upon graduation.

During college my desire is to gain employment with a local Chiropractor or Sports Medicine clinic to gain practical knowledge in my field of study. During high school I was able to earn my PCT (Patient Care Technician) certification. Post graduation from college, I hope to either join an existing practice to gain experience and then eventually open my own clinic.

6. Are there any other factors you would like us to consider in evaluating your application? If so, please explain.

I worked hard in my high school studies to graduate 9th in my class while being a student athlete that participated in Football, Basketball and Track at the Varsity level. Not bragging, just indicating that I am dedicated to obtaining the Goals that I set. The goal and desire are there, I just need assistance with finances to make those goal, dreams and desires a reality. My family falls in the category where they make too much to qualify for financial aid, but not enough to pay for college. I will reach my goal and I appreciate being considered for this scholarship.

To whom it may concern,

My name is Kevin Wright and I am the youth pastor at Sand Springs Baptist Church in Mineola, TX. I have known Garrett Wright all of his life. He has spent the last six years in my youth group. During this time, Garrett has demonstrated spiritual growth and maturity and has developed into a fantastic leader. He is kind-hearted, a friend to all and the younger students look up to him. Garrett volunteers his time every summer helping with our week long vacation bible school. There he helps with classes, leads kids and participates in our skits. He is very helpful and dependable. Anytime I need help at the church loading, unloading and preparing for events, Garrett is always willing to lend a hand. He participates every year at our summer camp where he will be counted on as a team leader this year. Garrett is one of those students that other kids hope is on their team.

Outside of church, Garrett is committed to athletics at Alba-Golden High School. He excels at football, basketball and track. He spends countless hours practicing before and after school and preparing to be his best. He is a top performer in all sports and represents his school and family well with outstanding sportsmanship. Even with all the hours that Garrett puts into extra-curricular activities, he still excels academically and takes care of business in the classroom. Garrett has a heart to help people and has a goal of being a chiropractor. Any scholarship you have available will definitely help him as he continues his education. If you have any questions about Garrett Wright please feel free to contact me at any time.
